Clicking on an image’s thumbnail shows it in the main view

SAMPLE DETAILS

[edit](#)

Rock Type Metagranite

Metamorphic Grade Amphibolite

Minerals Garnet, Biotite

Description Lupta doloribus atur? Les aliquate parum rem voloriost qui to consed quodisquam et mo con cus invenihici berisque prore prati oditas re voluptia est lit hillore rferum

The currently-selected image’s thumbnail is highlighted

Hovering over a thumbnail shows the X icon, that deletes the image when clicked.

Clicking the plus icon brings up a file chooser to upload a new image.
